

CONSTRUCTION MANAGEMENT **SERVICES CONTEST**

At Community Builders, we are rooted in Morris County. With a spirit of giving and gratitude and our mission to build community, we are pleased to offer our construction management services to a local business or non-profit at no charge. Our objective? To support a local business or non-profit in the construction or renovation of their existing physical space which will in turn support their community-focused mission.

WHO SHOULD APPLY?

If your business or non-profit is in Morris County, serves the community, and you've been hoping for improvements to your physical space, this opportunity is for you!

HOW TO APPLY

Send us a paragraph describing what building a stronger community means to your organization and how your space being transformed will better serve our Morris County community.

Please submit your inspiring story by **Monday, June 3rd.**

Community Builders stems from four generations of builders, evolving from a family's rich construction legacy to fulfill a dream beyond building. Driven by a deep commitment to our community and the vision to build spaces which positively impact the community, we're here to do more than construct buildings. We're here to forge communities, enrich lives, and continue a legacy of collective excellence and pride.
